Nothing in this manual supersedes any legislation, rules, regulations or procedures contained in any operational document issued by Her Majesty's Stationery Office, the Civil Aviation Authority, the European Union, the European Commission, EASA, ICAO, the manufacturers of aircraft, engines and systems, or by the operators of aircraft throughout the world.

Pre-Flight Briefing (Aeroplanes)

Pooleys EASA PPL Ground School – To accompany the Air Pilot's Manuals

Instructions

Welcome to the latest edition of the Pre-Flight Briefing PowerPoint presentation from Pooleys.

From the “**Index**” page, select the section of the PowerPoint you want to cover during your ground school lesson using the navigation buttons. You can return to the index at any point by pressing the “**home**” button on the bottom right hand corner of every page.

To move forward through the presentation either press the space bar, the right arrow key or you can left click on your mouse. To go back a page just press the left arrow key on your keyboard.

If you want to return to a particular page, right click using the mouse anywhere on the presentation (at any point) and select “**Go**” then left click on “**Slide Navigator**.” You simply select the page you want and PowerPoint will take you straight to it.

To end the program at any time, just press the “**Escape**” key on your keyboard.

– WE HOPE YOU ENJOY THE PRESENTATION –

Now press the “**home**” button in the bottom right hand corner to return to the index

Editorial Team

Dorothy Saul-Pooley LLB (Hons) FRAeS

□ Dorothy holds an ATPL (A) and a CPL (H), and is both an instructor and examiner on aeroplanes and an instructor on helicopters. She is Head of Training for a school dedicated to running Flight Instructor courses at Shoreham. She is also a CAA Flight Instructor Examiner. In addition, having qualified as a solicitor in 1982, Dorothy acted for many years as a consultant specialising in aviation and insurance liability issues, and has lectured widely on air law and insurance issues. This highly unusual combination of qualifications led to her appointment as Honorary Solicitor to the Guild of Air Pilots and Navigators (GAPAN). Dorothy is a Fellow of the Royal Aeronautical Society, first Chairman of the GAPAN Instructor Committee, and past Chairman of the Education & Training Committee. She has just completed her term of office as the Master for the year 2014-15 of the Honourable Company of Air Pilots (formerly GAPAN). She is also Chairman of the Professional Flying Instructors Association. In 2003 she was awarded the Jean Lennox Bird Trophy for her contribution to aviation and support of Women in Aviation and the BWPA (British Women Pilots Association). In 2013 Dorothy was awarded the prestigious Master Air Pilots Certificate by GAPAN. A regular contributor to seminars, conferences and aviation publications. Dorothy is the author and editor of a number of flying training books and has published articles in legal and insurance journals.

Bob Rickwood

Fixed wing ATPL, FIC, FAA CPL/IR, CFI. Bob gained his PPL at Shoreham in 1977 and became a flying instructor in 1979. Although most of his career has been spent travelling the World in Hi-Tech sales and marketing, Bob flew as a First Officer with KLM UK for 3 years on Fokker 100 turbojet and Fokker 50 turboprop airliners and worked briefly for Biz Jet training organisation, Flight Safety. Bob has accrued nearly 4000 hours on turbojet, turboprop and a wide variety of single and multi-engine piston aircraft.

Daljeet Gill BA (Hons)

Daljeet has put together this presentation in a clear, concise, easily readable format with drawings ideal for any newcomer to flying to understand. She is the Head of Design for Pooleys Flight Equipment.
